Good Morning:

Our previous correspondence indicated that a response to your request would be available on or about 12/07/2020. At this time, we must extend that date. I am still pending receipt of the requested records from the unit that maintains them. I received an update that they are still in the process of determining how best to compile the information and assigning the project. I know their unit has had some prescheduled member absences and this may be affecting their workload.

We now anticipate a response to your request will be available on or about January 14th, 2021. We will make every effort to respond to your request before that date.

Thank you for your patience while we work to address your requests. If you have any questions, please contact our Public Disclosure line at (564) 397-2101.

Sincerely,

Public Records Unit
