<b>AVERAGE DAILY POPULATION</b>			
Average Daily Population	<b>370</b>	<b>415</b>	<b>446</b>

-Inmate or detainee's full name – we would need to run each name to see if they were charged, arraigned, and/or if their record is public or non-public – see estimate below

-Inmate or detainee's jail/ID number – we would need to run each name to see if they were charged, arraigned, and/or if their record is public or non-public – see estimate below

-name of jail or detention facility – Ingham County Jail

-Indication of exit or entry– we would need to run each name to see if they were charged, arraigned, and/or if their record is public or non-public – see estimate below

-Time of exit or entry– we would need to run each name to see if they were charged, arraigned, and/or if their record is public or non-public – see estimate below

-Date of exit or entry – we would need to run each name to see if they were charged, arraigned, and/or if their record is public or non-public – see estimate below

-Reason for exit or entry (e.g. release, transfer, medical, or court hearing) – we would need to run each name to see if they were charged, arraigned, and/or if their record is public or non-public – see estimate below

Estimate:

7,009 inmates discharged \* 2 minute per name = 14,018 minutes

14,018 minutes / 60 minutes in an hour = approximately 233.5 hours

233.5 \* \$16.00 per hour = \$3,736

Good Faith Deposit = \$1,868
