I unfortunately requested to speak to the wrong agenda item, having meant to speak to item 7 instead of 12a. Is it possible to make an adjustment?

Thanks either way, and sorry for the extra trouble.

Dear Rutgers Board of Governors,

I am writing this to ask you to please consider supporting the proposals put forth by the Rutgers AAUP union. As a union, we have asked the Board of Governors for transparency, decency, and respect of all employees of our institution. The Board of Governors should consider opening the books and disclosing the true financial health of Rutgers University. Furthermore, the Board of Governors should work with AAUP union to find solutions that respect and treat employees with dignity and compassion for their contributions to our institution during these financial hardships. Only through a unified approach can our institution remain strong. I appreciate your time and consideration.

Hi,

I was appalled at the way Chairman Angelson ran the public hearing today. Why did everyone else get 2 minutes to speak and I got far less than that? I did not even get to address any issues or the resolutions that I had signed up to speak. It sounds like Angelson has a thin skin and can't take the heat. Rutgers deserves better.

I'll reiterate my question about Ms. Towers: Has she been sworn into office yet?

I'll also reiterate my request for copies of the resolutions that I signed up to speak on. Please provide them.

Thanks,
