Based upon Kathy's response, do we need to dig any further or simply respond "no records exist"?

Hi Kathy,

Please see the public records request below. Can you check to see if we have any vendors/payments for this vendor? Just want to double check.

Thanks!

Do we even have this technology and/or applied for a grant that would fund it? Do we need Josh's group to do an email search as requested in one of the bullets? Thanks.
