Police Department
City of Indianapolis

On Swat we currently utilize a variety of less lethal options.

12 gauge CTS super sock bean bag round, Model #2581. That is deployed from a 12 gauge Remington 870 shotgun

40 mm rounds:

- 1) CTS 40 mm super sock round, model# 4581
- 2) CTS 40 mm foam baton round, model#4557
- 3) Defense Technology 40 mm exact impact foam baton round, model#6325
- 4) Sage 40 mm K041 impact baton round

The 40 mm munitions are fired from single shot and multi cylinder launchers. Those launchers are manufactured by Penn Arms and Defense Technology.
