Black male mid 40's approx 6 foot tall in a dirty black hoodie and shorts. Was by the silos holding a lunchbox and bag in his hands. RP has never seen anyone matching the description in the area earlier despite knowing the employees of the farm. Would have known anyone who belonged and was working that early. RP called out to the individual who ignored his comments. Individual slowly walked down the road stood by college farm intersection for 5 or 10 mins then walked towards food science building. Individual did not harass or speak ti employees and nothing appears to be damage or missing at this time.
